Creations Quest Director

General Description:

- A member of the Resource Staff.
- Reports to: Executive Directors, Associate Director

Essential Job Functions:

- Develop an age-appropriate, hands-on nature program for campers ages 5-16.
- Purchase any needed materials and keep a close inventory of stock.
- Lead sessions in a creative and effective way, placing an emphasis on the 4 S's and life long learnables over skill mastery and nature facts.
- Develop existing resources to expand and improve the Creations Quest program.
- Take a leadership role in the attempt to improve environmental stewardship on a camp-wide level.
- Develop resources and programming for both the Glen Mhor and Iona Programs.

Work Experience Requirements:

- Recommend 2 (two) years as a counsellor or equivalent experience working with youth.

Other Skills/Abilities/Qualifications:

- A background in environmental studies (or other natural field) recommended.

The ideal candidate will have:

- Experience leading activities for Children.
- The ability to be organized and to work independently.
- The ability to be flexible and to work in a team.
- A willing, inventive and kind attitude.
- A willingness to learn and teach others about constellations, wildlife, plants, ecosystems and outdoor living skills.

NOTE: This job description is not intended to be all-inclusive. The Employee will perform other related duties as set out in the RESOURCE STAFF JOB DESCRIPTION.
