## Integration Coordinator

### General Description:

- A member of the Resource Staff.
- Reports to: Executive Directors, Associate Director

### Essential Job Functions:

- Supervise and support the counselling staff working with campers with special needs.
- Facilitate true integration by working with counsellors, resource staff and campers.
- Liaison with 'Reach for the Rainbow', our partner in integration.
- Create resources and develop strategies to aid counsellors with one-to-one responsibilities.
- Work with adult volunteers to accomplish meaningful and rewarding tasks.

### Work Experience Requirements:

- Recommend 2 (two) years as a counsellor or equivalent experience working with youth.
- Recommend 1 (one) year as a member of resource staff.
- Experience working with individuals with different abilities, developmental delays and other special needs.

### Other Skills/Abilities/Qualifications:

- Excellent communication skills.
- Standard First Aid and CPR 'C' (recommended).

### The ideal candidate will have:

- The ability to be organized and to work independently.
- The ability to be flexible and to work in a team.
- A willing, inventive and kind attitude.
- Patience when dealing with conflict and crisis.
- A desire to have a positive impact on the lives of children and adults through integration.

**NOTE: This job description is not intended to be all-inclusive. The Employee will perform other related duties as set out in the RESOURCE STAFF JOB DESCRIPTION.**
