Job Posting

Nurse

General Description:

- A registered nurse (RN) to stay on-site and sleep in the Health Centre.
- Reports to: Executive Directors, Associate Director

Essential Job Functions:

- Process camper registrations on opening day and collect medications and health information from parents/guardians.
- Administer medications to campers (both prescription and over-the-counter).
- Respond to any emergency by delivering First Aid and medical care.
- Help us to take great care of everyone on site!

Work Experience Requirements:

- Experience in First Aid.

Other Skills/Abilities/Qualifications:

- Registered Nurse (RN).

The ideal candidate will have:

- A commitment to the health and safety of the entire camp community
- A desire to work with children and young adults in a camp setting.
- The ability to be organized and to work independently.
- The ability to be flexible and to work in a team.

NOTE:

This job description is not intended to be all-inclusive. The Employee will perform other related duties as set out in the NURSES MANUAL.
