Job Posting

Tripper

General Description:

- A member of the Resource Staff.
- Reports to: Executive Directors, Associate Director

Essential Job Functions:

- Lead hiking and canoe trips for campers age 9-17.
- Plan trip routes, collect necessary knowledge of area (maps, etc.) and book sites.
- Purchase necessary supplies and ensure proper storage of inventory.
- At all times champion a philosophy of "low impact camping" and good environmental stewardship.
- Prepare all off-site trips (including tents, food, packs, boats, gear, etc.)

Work Experience Requirements:

- Recommend 2 (two) years as a counsellor or equivalent experience working with youth.
- Experience tripping as a participant and leader.

Other Skills/Abilities/Qualifications:

- NLS Certification
- Standard First Aid and CPR 'C' (Wilderness First Aid or above recommended)
- ORCA Certification (Moving Water recommended)
- Swift Water Rescue Technician (may be provided)

The ideal candidate will have:

- The ability to be organized and to work independently.
- The ability to be flexible and to work in a team.
- Experience with wilderness first aid, tripping and outdoor living skills.
- A desire to explore God's creation and share the discovery with others.

NOTE: This job description is not intended to be all-inclusive. The Employee will perform other related duties as set out in the RESOURCE STAFF JOB DESCRIPTION.
